International Conference of Chabad Emissaries

More than 5,600 rabbis and guests from 100 countries gathered on Sunday, Nov 4, for the gala dinner highlighting the 35th International Conference of Chabad-Lubavitch Emissaries. The celebration was infused with inspiration and joy in a massive venue, at Rockland Community College in Suffern, N.Y.

Then they danced. Rabbis and their supporters, weaving among the tables in a mess of concentric circles spreading as far as the eye can see, jumping with arms over arms, boom cameras and lights overhead charging up for their return trips home to share their energy and spirit with their respective communities.
